

## Parental Consent Form for Photographic Images, Emergency Aid and Behaviour

Bridgnorth Cricket Club recognises the need to ensure the welfare and safety of all Young People in Cricket. As part of this commitment we will not permit photographs, video images or other images of Young People to be taken or used without the consent of the Parent/Guardian and the Young Player.

Bridgnorth Cricket Club follows the guidance issued in 'Safe Hands – Welfare of Young People in Cricket' on the use of images of Young People which is available at <http://www.ecb.co.uk/safehands> and will take steps to ensure that these images are used solely for the purpose they are intended, which is the promotion and celebration of cricketing activities.

If photographs e.g. team or action shots, are submitted to the Press or published on the Club's website individuals will not ordinarily be identified. Where a child or young person is identified it will only be with the explicit consent of parents. Whilst Bridgnorth Cricket Club will do all that it can to ensure the safety of children during photographed events, it is the responsibility of the parent concerned to ensure that if their child is not to be photographed and partakes in an activity and is by the nature of the activity inadvertently photographed or filmed, Bridgnorth Cricket Club cannot be held responsible.
